**Indiana Military & Veterans
Legislative Day**
Tuesday, January 10, 2023
www.VeteransLegislativeDay.com

The Indiana Military & Veterans Legislative Day (IMVLD) event is coordinated by a group of volunteers consisting of nonpartisan, not-for-profit Indiana Veteran Service Organizations and Military Associations. It is co-sponsored by a bipartisan group of Indiana Legislators.

The overall event intends to enhance communications between Indiana active duty and reserve component Military members, Veterans, and families with the State Senators and Representatives regarding military and Veteran-specific legislation moving through the Indiana General Assembly.

We know participation by the Military, Veterans, and their families during active legislative sessions in the Indiana General Assembly can make a real difference when legislators decide the outcome of various bills. By contacting legislators early in the session regarding legislation, each person can play a pivotal role in making Indiana a better place for our active Military, Veterans, and their families to work, play and live.

Those involved in planning this event have been working diligently on behalf of their members, Military, Veterans, and their Families in the State to fight for more earned Military & Veteran services and benefits for our Hoosier Veterans. We want Hoosier Veterans to stay in Indiana to raise their families, retire and continue to help grow our economy.

Thank you for taking an active part in this legislative session and for your commitment to making a positive change for our Hoosier Military, Veterans, and their families.
